

KELSEY SWEENEY

sweeneyk@bu.edu | (608) 416-3917 | Cambridge, MA | [linkedin.com/in/kelseysweeney5](https://www.linkedin.com/in/kelseysweeney5)

EDUCATION

Boston University Master of Science, Electrical Engineering, GPA 3.67	Boston, Massachusetts Expected Dec 2026
University of Wisconsin – Madison Graduate School Pre-requisites, Electrical Engineering, GPA	Madison, Wisconsin Sept 2022 – May 2024
University of Wisconsin - Oshkosh Bachelor of Science, Biology & Spanish Language, GPA 3.78	Oshkosh, Wisconsin Sept 2009 – May 2013

SKILLS & RELEVANT COURSEWORK

Coursework:	Circuit Analysis, Control of Sustainable Power Systems, Linear Optimization, Software Engineering Principles, Intro to Robotics, Product Design, State Space System Control, Intro to Logic, Object Oriented Programming in Java, Statistics & Probability, Material Science, Physics I
Programming & Software:	Java, Python, GitHub, CI/CD

PROJECTS

Course Report Intro to Robotics Author	Oct 2025 - Nov 2025
Authored critical analysis on distributed robotics paper which synthesized information from previous related work, discussed assumptions, strengths and limitations of original paper and investigated future directions and open questions.	
Course Project Control of Sustainable Power Systems Contributor	Mar 2025 - May 2025
Simulated optimization of battery storage in a network based on forecast DER input and customer demand. Formulation of cost function and constraints using SciPy Optimization	

RELEVANT WORK EXPERIENCE

Emergency Services Technician SSM Health Emergency Services	Jun 2020 - Jun 2022 Madison, WI
- Prioritized patient care activities with ER Charge Nurse according to acuity to meet clinical benchmarks for stroke, sepsis and trauma patients - Coordinate with ER staff, including charge nurse, primary nurse, physician and imaging specialist.	
Volunteer Research Assistant Wisconsin Surgical Outcomes Research Program	Aug 2016 - Nov 2017 Madison, WI
- Submitted abstract and was selected to present the lab's framework to surgeons, residents and research teams at the annual Wisconsin Surgical Society conference - Coded transcripts of focus groups and patient-physician conversations using NVIVO software	
Sales & Fulfillment Intern D-Rev: Design for the other 90%	Nov 2013 - Oct 2014 Madison, WI
- Established workflow for sale of prosthetic knee to international clinicians and distributors - Authored best-practice manual for use of Salesforce.com within company operations	

LEADERSHIP & ACTIVITIES

Tutoring Plus of Cambridge Tutor	Oct 2025 – Present
UW-Madison Society of Women Engineers Boeing Tech Team External Design Co-Lead	Sept 2023 – Aug 2024
UW-Oshkosh Women's Cross Country and Track Team Student-Athlete	Sept 2009 – Dec 2012
